Julio said that the stabbing took place near the medical buildings. Julio said that he stabbed Vanessa in the chest a couple of times. He said that Vanessa was crying when he was stabbing her.

After stabbing Vanessa, Julio said that he tried to get into the driver's side of the vehicle but he couldn't control the car and it crashed. He said that he exited the car via the sun roof. Once he got out of the car he reached back in and got his daughter out of the back seat. He then realized that he had Vanessa's cell phone and threw it in a storm drain.
